

October 2021

## Flu Vaccination at UZH

Starting at the end of October 2021, Safety, Security and Environment will offer all UZH employees the opportunity to be vaccinated against the seasonal flu. The vaccination is free of charge and **voluntary**.

### **The vaccination can only be offered to UZH employees.**

Students, relatives and external persons can receive the vaccination at the Centre for Travel Medicine or by their family doctor, at their own expense.

This year's national flu vaccination day will be on Friday the 5<sup>th</sup> of November 2021.

In order to minimize waiting times an online registration is required.

**Only registered persons will be vaccinated. The registration is mandatory and binding.**

**Note:** the registration portal will be activated on **Wednesday, October 13<sup>th</sup>, 2021 at 10:00 a.m.**

Please **register** via the Event Management, President's Services:

<https://www.uzh.ch/ema/de/main-events/YJK.html>

- Select an available time slot for the desired location and click on Select (Place, date and time window, e.g. flu vaccination Irchel, 02.11.2021, 10:00-10:30)
- **Come for the vaccination within the exact time window that you have selected**
- You will receive a reminder e-mail one week before the appointment
- Bring your **employee ID card** to the appointment
- Avoid coming to the vaccination appointment if you show **any symptoms** of an acute respiratory disease or other acute illnesses
- If you have any questions, please contact the administration team of SSE 044 63 54410 or [info@su.uzh.ch](mailto:info@su.uzh.ch)
